

# AFTER PROM

## What is After Prom?

The After Prom party is a Junior/Senior event that is held immediately following the prom. Juniors and Seniors do not have to attend the Prom to gain entrance. Underclassmen are permitted to attend **only** if asked by a Junior or Senior as a date.

This event is not a "lock-in". Upon arrival, each student will be checked in and a time will be recorded. When they wish to leave, the student will sign out and the departing time will be recorded as well. We will also have a contact person and phone number parents can call for security reasons. We will list that number on the web site before the event. As in the past, the after prom is an alternative to student-organized parties, often without chaperones. The after prom is a drug and alcohol free event. In the past we have had as many as 40-50 parent chaperones and we anticipate that number every year.

Following district safety requirements, all overnight chaperones will need to be fingerprinted prior to that evening. This can be done at the West Clermont School District office for free.

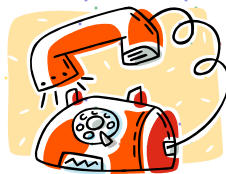

Any student under the suspicion of drugs or alcohol will be removed by the officer on duty and the parents will be called to pick up the student immediately. The event is held at school, therefore the same rules will apply for the evenings event.

2008 will be held at

Racquet & Fitness  
Club.**

## Fundraisers

---

The after prom is 100% financed by fundraisers. The prices for the tickets depend on the amount of money raised throughout the year. The more monies we are able to raise, the cheaper the ticket. Unfortunately that also works the other way. So please come out and support the kids. The average cost for our after prom is around \$8,000.00. About 50% goes toward the blow up games, 35% on cash and prizes to the students, and 15% on decorations.

The after prom committee would like to take this opportunity to thank all the volunteers who have helped us throughout the years. Every one is very busy in today's world and we really appreciate the extra time you give this event. Once you have worked the event, I think you realize how much the students really enjoy themselves and well as the volunteers. It is a fun night for everyone.
