**West Clermont Schools, Local First Responders
Conducting Incident Response Training**

As part of its efforts to maintain a safe and secure campus, West Clermont High School is partnering with the Union Township Police and Fire Departments, and other county first responders, on a joint training exercise.

The Incident Response Training will take place Friday, March 31, the first day of the district's spring break. There will be a heavy first responder presence at the school from 8 AM - 3 PM. Members of the media are invited to visit the campus of West Clermont High School from 8:30 AM to 10 AM.

"The safety and security of our students and staff is always our top priority. This training helps ensure our district and local first responders are prepared to handle any type of emergency that may occur," said Mike Overbey, West Clermont Chief Operating Officer.

The district is grateful for the community's support of this and other safety and security measures, as well as for the partnership of local law enforcement agencies.

About West Clermont: West Clermont School District commits to excellence with every learner, every day, and in every way. Its vision is that together as one community, we learn, lead, and succeed. The district believes that together we are ON THE RISE and values strengthening relationships, cultivating innovation, being relentlessly student-centered, and fostering empowerment.
